Hi, My name is [Full Name] and this is my English demo.

The countdown to Christmas has started, and there are thousands of little hearts hoping to get a gift – some for the first time. The Joyful Hearts Project 2022 is raising gifts for less-fortunate Namibian children, and you can help:

Get a name tag from the big Christmas tree at Maerua Mall in front of Mr. Price. Buy the gift and then drop it off again at the Joyful Hearts tree where you got the tag.

The Joyful Hearts Project is an initiative of the Round Table 34 and is proudly supported by Radiowave 96.7
